Wild Caught
Certified Sustainable
Hook & Line or Trawl Caught
Locally known as Black Cod

Serving the ocean since 1941
The Pacific Advantage
...since 1941

Wild Caught
• Pacific Seafood works closely with the fishermen on hook and line or trawl catching procedures and handling to ensure top quality.
• Pacific Seafood owns and operated plants in the prime catch areas in Northern California, Oregon, Washington, British Columbia and Alaska.

Sustainably Managed and Harvested
• Fishery is managed by IFQ (Individual Fishing Quotas) in Canada, Alaska, Washington, Oregon and California.
• Trawl caught west coast and Longline Alaska caught sablefish are certified sustainable by the Marine Stewardship Council (MSC)
• Industry leading Traceability systems to track harvest to market
• Pacific Seafood is a founding member and supporter of the NFI - Better Seafood Board for ethical industry practices

Exquisite Flavor and healthy
• Rich melt-in-your-mouth buttery flavor and succulent velvety texture.
• Excellent source of heart-healthy, Omega-3s, high quality protein and a good source of potassium.
• Excellent alternative to Chilean Sea Bass
