Pacific Seafood Galveston Shrimp

Pacific Seafood Galveston Shrimp sits in the heart of Galveston, Texas, just feet away from the bright blue waters of the Gulf of Mexico. Our state-of-the-art facility processes responsibly sourced wild-caught Gulf shrimp, prized by Texans for its bold flavor only found in the Gulf of Mexico.

In addition to the unique flavors of Gulf shrimp, our industry-leading food safety standards and cutting-edge equipment ensure our shrimp's natural flavor is preserved immediately after catch and throughout the processing line to provide that fresh-off-the-boat flavor.
